

Golfers,

Thank you for participating in the combined South Bay Public Links Golf Club (SBPLGC) and El Segundo Golf Club (ESGC) tournament at Lakewood Country Club on Wednesday, July 22. Before addressing the tournament results and financial results, we would like to remind you of our ESGC policy, ask for your feedback on the tournament, and provide further ESGC information:

- ESGC will post tournament scores for its members who have SCGA membership through our Club. All others should post their own adjusted scores as Tournament.
- We appreciate any and all feedback on the tournament, including but not limited to Pace of Play (always our priority to improve!), course condition, and the tournament itself. We always look to improve your golfing experience!
- Our remaining tournaments for 2015, open to all members and valued guests, are:
 - Wednesday, September 23, at Costa Mesa Country Club (Mesa Linda Course). This is a “stroke play” tournament with consecutive tee times, beginning at 9am.
 - Thursday, November 19, at California Country Club (a premier private Club!) located in Whittier. This is a “stroke play” shotgun tournament beginning at 8am. Although open to all, this is the ESGC Club Championship for its members, as well as our 25th Annual “Turkey Shoot,” followed by our year-end steak luncheon.
- It is also our policy to not send emails to non-members, except for those who are interested in notifications of our upcoming tournaments. If you are interested, please request that via email to esgc@ymail.com; if you are receiving such emails and wish to be removed from our guest list, please also send an email to the same address with your request, and you will be permanently removed.
- We are announcing our new El Segundo Golf Club website (elsegundogolfclub.com). This site is already populated with important information about our Club, and additional information continues to be added.

Following are our Lakewood 2015 tournament results. Note that except for our optional “Money Hole,” all other prizes will be Golfsmith certificates (delivered via email):
