

Results of SBPLGC/ESGC Tournament at Los Verdes

Golfers,

Thank you for participating in the ESGC tournament at Los Verdes on Wednesday. Results are listed below but we want to ask for your feedback on the tournament (tournament format, tournament marshal, course, etc.) so that we can continually improve. In particular, thank you all for keeping pace of play! Los Verdes is known as one of the slower playing courses. Of the 11 out of 13 scorecards recording start and ending times (as requested for all groups!!), the first half of the field finished in 4 1/2 to less than 5 hours and the remaining half finished between 5 to 5 hours and 15 minutes. In fact, Los Verdes was impressed by our pace of play (even surprised!).

Overall, we had 52 players, 11 from SBPLGC and 41 from ESGC. Of the total field, we had 11 Women and 41 Men. All had official GHINs except for 2 Callaway players. Note that we will post scores for ESGC members who have SCGA membership through our Club; others should post their own adjusted scores as tournament scores.

Our next SBPLGC/ESGC tournament is on Wednesday, July 22, at Lakewood, with consecutive tee times starting at 8am. Look for notification from your Club about the middle or latter part of June.

Except for the "Money Hole," all of the following prizes will be emailed Golfsmith certificates. Congratulations to our prize winners!
